MedImpact Member Portal

A Healthier, More Informed You

MedImpact Member Portal

Real-time access to personalized healthcare and financial information so you can better manage your budget and your healthcare.

Savings Potential

**Need to know how much you've spent or where you are in your deductible?
Tax time or flex spending reimbursements?**
Track and manage your spending with personalized, detailed information. PersonalHealthRx® provides access to your prescription usage and spending for the past three years. Plus, it's easy to print and save for tax purposes or for your flexible spending accounts!

- ✓ The price you pay and available lower-cost options
- ✓ Your prescription spending information

Easy Access

**Need a 24-hour pharmacy nearby?
Or looking for a preferred pharmacy near you?**

With our Pharmacy Locator, you can find a pharmacy near you, including preferred pharmacies that may have better pricing for your plan benefits, 24-hour pharmacies and e-prescribing participants. You can also see detailed maps, driving directions and contact information to help you find your way.

Preferred pharmacies or 24-hour pharmacies and their locations with directions

Healthier Choices

Questions about your medications?
Using our Drug Information tool, you can search for essential information on medications, including:

- ✓ Drugs you take
- ✓ Search drugs
- ✓ How to take and store your medication
- ✓ Drug interactions
- ✓ Descriptions & images to help identify pills

Benefit Information

**Questions about your benefits? Copayments?
Need Prior Authorization status?**
Benefit Highlights helps you understand your benefit, including your plan's copayments and formulary status of drugs. You can also see information on prior authorization status, including those with remaining fills or an expiration date. You can also access a complete list of your prior authorization history.

- ✓ Your benefit information, including formulary and copayment amounts
- ✓ Prior authorization status for drugs
